

Spring 2023
Class & Event Schedule

April-May-June-July

How do you color your world? The inspiration of color is all around us. It's in the lilies of the field and the skies' shades of blue. It's even in the night sky, with all quilters knowing there are many shades of black and white, nearly as many as the stars up high. Each and every color has the ability to elicit emotions through the amazing eye. How blessed are we to have this gift of

color in our lives.

We can then take these colors, mix and match them, put them in various shapes or designs and elicit even stronger emotions. Each creation is a masterpiece of the vision of the creator. How fortunate we are to participate in this process of creating beauty with you. We look forward to providing colors and perhaps inspiration for your next beautiful, eye-catching creation! ~ Scot and Treasure

Machine Service

An annual Clean, Oil and Adjust keeps your machine in tip-top shape.

We offer same-day service for our out-of-town customers **if it is scheduled in advance** with our Tech Department for an additional 10% fee.

WE SERVICE ALL BRANDS!

Our technicians are capable of servicing any make or model of machine, from A-Z and everything in between!

We are authorized repair technicians for

baby lock, Bernina, bernette, brother, Janome, and Pfaff machines.

We do not currently service industrial machines.

If you want to keep your machine until we are ready to service it, try our "virtual queue!" Just call (509) 928-6037, give us your name, machine make/model and contact information. We will contact you when your machine's turn for service is coming up. Then just drop it off within 7 business days and it will be ready for you in a few days. *Note: if we have to order parts it could take longer.* See you soon, at The Bee!

MACHINE INSTRUCTION

baby lock, Bernina, bernette, brother, Janome and Pfaff

The Quilting Bee offers instruction classes for machine owners that purchased their machine from our store. These classes help you learn to operate and maintain your serger, sewing, or embroidery machine. They are free of charge and may be taken as often as you feel necessary to get comfortable using your machine.

Looking for fun, fellowship, creative projects, and top-notch instruction? Learn more about your machine by joining one (or all!) of our **Clubs**.

Please bring your own machine to learn and gain experience with it.

If you would like to take our mastery classes but purchased your machine elsewhere, the standard hourly rate will apply for classes listed in this mailer (\$10/hour). If you schedule a one-on-one for instruction, the private lesson rate of \$40/hour will apply.

REGISTRATION IS REQUIRED.

NOTE - Owner's classes are all grouped by machine brand and model (ie 8-series, 3-series, etc.) with the exception of embroidery instruction which may be all grouped together within a brand. Please read carefully to ensure you enroll in the proper classes. If you are unsure, we are happy to guide you to the proper class(es).

Required Supplies: Your machine, power cord, foot control, appropriate bobbin, all accessories that came with your machine, **manual**, scissors, thread, and note-taking supplies.

NOTE: If you do not have a current machine model, please call to inquire about your options. We are happy to accommodate other machines, based on instructor availability, as you may require a one-on-one session.

"Anyone who works on a quilt, who devotes her time, energy, creativity, and passion to that art, learns to value the work of her hands. And as any quilter will tell you, a quilter's quilting friends are some of the dearest, most generous, and most supportive people she knows."
