Quilting
Bee

Spring 2024
Class & Event Schedule

April-May-June-July

So, here we are, a couple of years post-Covid, though it's still hanging around like a bad habit. One thing we learned from that experience is how much we all really need human interaction. Sure, there's the phone and video chat, but I think most of us found that there is simply no substitute for that in-person connection. We read that 80% of communication is non-verbal, so you'd

think we could get most of that through video, but most of us just don't. There is no substitute for the real thing; it's what we were created for.

We are so thankful that we can all enjoy in-person human connection here at the Bee. Whether it be in a class, at the counter, experiencing a new technique or machine, or just finding the right needle for the job, we treasure our power to be able to reach out and touch people. We hearken back the byline of The Bee's previous owner, Jackie: "Where lasting friendships are pieced together". We look forward to connecting with you soon!

~ Scot and Treasure

NOTE that classes fill up quickly! Sign up promptly to be sure you get a spot! If you don't get in this time, we'll get you onto a wait list and get you into the next available spot.

PS: If you can't make a class, *please* let us know **ASAP, so we can get the next wait-listed student in.**

If you are unable to make a class and do not cancel before the day of class, we are no longer able to give refunds.

CLASS DESCRIPTIONS

Our goal is to offer all types of classes for all levels of sewist. We offer technique and project classes, machine and software masteries, clubs, and also host special events.

If you are ever unsure if a class will be right for you, we are more than happy to direct you or even put you in touch with the instructor so you can be sure the class will meet your needs.

QUILTING BEE CLASS LISTINGS

What's Happening At The Bee?

Expected in April, **Curated in Color** by *Moda Fabrics* stirs old memories from the I-Spy game in tones that beautifully blend vintage motifs. Cathe Holden's designs expertly capture the essence of collage, with patterns reminiscent of decorative china plates and Victorian aesthetics.

Wild Abandon, by *Figo Fabrics*, is a fantastic nature-inspired collection full of mesmerizing feather patterns, fun geometric designs and bright hues coming together to create a wonderful contemporary design, which we hope to see arrive in May.

June brings the arrival of seasonal fabrics to give you an early start on your holiday projects! **Holy Night**, by *Robert Kaufman*, is a fresh take on classic Christmas themes. It's modern colors, set off with a bit of gold metallic sparkle, will give your holiday season a cheerful kickstart.

For those of us who enjoy the quirky, **The Secret Life of Squirrels** by Nancy Rose for *Clothworks*, due to arrive in July, gives us a healthy dose of fun. Digital images of our furry friends and their nosh make us chuckle quietly to ourselves. Terrific for a kid's backpack or a picnic blanket!

Machine Service

An annual clean, oil and adjust keeps your machine in tip-top shape.

We offer same-day service for our out-of-town customers **if it is scheduled in advance** with our Tech Department for an additional 10% fee.

WE SERVICE ALL BRANDS!

Our technicians are capable of servicing any make or model of machine, from A-Z and everything in between!

We do not currently service industrial machines.

We are authorized repair technicians for baby lock, Bernina, bernette, brother, Janome, HandiQuilter and Pfaff machines.

If you want to keep your machine until we are ready to service it, try our “virtual queue!” Just call (509) 928-6037, give us your name, machine make/model and contact information. We will contact you when your machine’s turn for service is coming up. Then just drop it off within 7 business days and it will be ready for you in a few days. *Note: if we have to order parts it could take longer.*

See you soon, at The Bee!

MACHINE INSTRUCTION

baby lock, Bernina, bernette, brother, Janome, Handi Quilter & Pfaff

The Quilting Bee offers instruction classes for machine owners that purchased their machine from our store. These classes help you learn to operate and maintain your serger, sewing, or embroidery machine. They are free of charge and may be taken as often as you feel necessary while your machine is still in the current line to get comfortable using your machine as space allows.

Please bring your own machine to learn and gain experience with it.

If you would like to take our mastery classes but purchased your machine elsewhere, the standard hourly rate will apply for classes listed in this mailer (\$10/hour). If you schedule a one-on-one for instruction, the private lesson rate of \$40/hour will apply.

REGISTRATION IS REQUIRED.

NOTE - Mastery classes are grouped by machine brand and model (i.e. 8-series, 3-series, etc.) with the exception of embroidery instruction which may be grouped together within a brand. Please read carefully to ensure you enroll in the proper classes. If you are unsure, we are happy to guide you to the proper class(es).

Required Supplies: Your machine, power cord, foot control, appropriate bobbin, all accessories that came with your machine, **manual**, scissors, thread, and note-taking supplies.

NOTE: If you do not have a current machine model, please call to inquire about your options. We are happy to accommodate other machines based on instructor availability, as you may require a one-on-one session.
